

Учебное занятие по математике в 4 классе

г. Пинск

The background is a classical painting depicting a man in a white robe, possibly a prophet or philosopher, pointing towards a vast, detailed cityscape. The city is built on a hillside, with numerous buildings, streets, and a river or canal in the foreground. The scene is rendered in a detailed, almost architectural style. Overlaid on this painting is a large, three-dimensional wooden sign. The sign has a horizontal top bar and two vertical posts. The word «банко» is written in a bold, black, serif font on the top bar. The wood of the sign has a natural, light brown texture.

«банко»

$$x - 5778 = 994222$$

$$x = 994222 + 5778$$

$$x - 5778 = 994222$$

$$1\ 000\ 000 - 5778 = 994222$$

$$994222 = 994222$$

$$x + 5790 = 9010$$

$$x = 9010 - 5790$$

$$x = 3220$$

$$3220 + 5790 = 9010$$

$$9010 = 9010$$

$$x + 63712 = 965138$$

$$x + 63712 = 965138$$

$$x = 965138 - 63712$$

$$x = 901426$$

$$x + 5790 = 9010$$

$$901426 + 5790 = 907216$$

$$965138 = 965138$$
