Pictures beloved of my native country,  
You are my gladness, my pain,  
What can it be lures my heart to bounty?  
What binds me so with its chain to you...  
I hear the ripe harvest in glad conversation,  
The quiet complaint of the leas,  
The happy drone of tall woods' murmuration,  
The song of the mighty oak-trees.

Вобразы мілыя роднага краю,  
Смутак і радасць мая!  
Што маё сэрца да вас парывае?  
Чым так прыкованы я к вам...  
Чуецца гоман мне спелае нівы,  
Ціхая жалёба палёў,  
Лесу высокага шум-гуд шчаслівы,  
Песня магутных дубоў...  
(Я.Колас “Родныя вобразы”, 1908)

Congratulations!  
Thank you very much for your good work. It was a real pleasure to play with you.
